English Breakfast - Bright, full-bodied and full of flavour, perfect for clearing away your cobwebs at any time of day.

Decaf Breakfast

Earl Grey - Lemon and bergamot flavoured black tea.

Green - A classic. Light & Refreshing.

Peppermint - Invigorating & Refreshing. A good aid for digestion.

Cranberry & Raspberry - Brings you the best of both delicious fruits: the tart sweetness of cranberries, balanced with the gentle tang of raspberries & a touch of elderflower. The result, a delightfully lively infusion, bursting with flavour.

Camomile - Like the centre of these pretty daisy-like flowers, this is a golden infusion which is slightly sweet and floral.

Assam - Smooth, rich & full bodied with an unmistakable malty punch.

Lemon & Ginger - To create this sunny and invigorating infusion, two of the world's best loved ingredients are blended; spicy, warming ginger with the bright, zesty taste of lemons.

Chai - Think cinnamon, clove and ginger. With the echoes of familiar tea and a flavour that lasts in your mouth.

Ceylon - Crisp, rounded & refreshing. It's a tea to really savour from Sri Lanka.

Darjeeling - Known as the Champagne of Tea. Light & delicate with a subtle, fragrant edge. The combination of first & second flush teas in this blend gives a beautiful, unique & delicate flavour.

Peach & Orange - This blend is a multi-sensorial sensation. Sweet juicy peach flavour with a delicious zesty sharpness from the orange peel.
